FOR CASINOS & GAMING

Extra depth for your security team — on your busiest nights.

Unarmed, uniformed officers who support casino security departments across Illinois.

Casinos run 24/7, handle cash at volume and answer to a regulator. From 2023 to 2026 we met those same demands protecting state-regulated, cash-intensive retail sites in Illinois. We add trained, reliable officers wherever your in-house team needs more hands.

HOW WE HELP

Parking & garages
Patrols of garages, lots and the property exterior, with quick incident response.

Back of house
Employee-entrance and back-of-house access control.

Entry & ID support
ID and age-verification support at entrances, under your property rules.

Guest de-escalation
Calm handling of intoxicated or disruptive guests, then handoff to your team.

Peak nights & events
Surge officers for concerts, holidays and big weekends.

Cage & count areas
Access control and observation near cage and count rooms (unarmed; no cash transport).
