Veteran-owned security · Berwyn, Illinois

FOR PRIVATE COMPANIES & LOCAL BUSINESSES

Security sized to your business.

One post or several, one night or around the clock — for stores, offices, warehouses and local businesses across Illinois.

You don't need a national firm and a call center to keep your business safe. You need reliable officers who show up, know your place, and a straight answer when you call. That's how we built our company — one post at a time.

HOW WE HELP

Presence at the door
A uniformed officer who deters trouble and helps your customers.

Opening & closing
Escorts and procedures when cash and staff are most exposed.

Nights & weekends
Overnight, weekend and holiday coverage when no one else is there.

Alarm response
We respond to your alarms, check the site and secure it.

Short-notice coverage
Help after a break-in, during an event, or as fire watch during an impairment.

Simple reports
A short written report every shift, so you always know what happened.
